

# The COVID-19 protection framework

It's here! New Zealand has now moved to the traffic light system.

Unite  
against  
COVID-19

The traffic light settings allow businesses to open and operate in a way that is as close to normal for vaccinated people while minimising the virus' spread. This helps keep vulnerable people and those that can't be vaccinated right now, safe. For further information on the new COVID-19 Protection Framework visit - <https://www.business.govt.nz/covid-19/covid-19-protection-framework>

The pages "Life at Red", "Life at Orange" and "Life at Green" have detailed information. Based on this new framework here is how Lifestyle Money operates under each "traffic light" colour.

Let's Talk! We can visit your home and discuss all your personal money options. We will have our meeting with you outside the home. Our Team are fully vaccinated and will wear a mask and observe a 1 metre social distancing rule. They will offer their "My Vaccine Pass" certificate to ensure you are safe and comfortable talking with our Field Agent. You will be asked to scan your COVID tracer app on our agent specific COVID QR code so there is a record of your meeting with them. Safety is paramount for the Lifestyle Money team. We strongly encourage our customers to wear a mask. If you are not fully vaccinated then please advise the Lifestyle Money Field Agent as soon as possible.

At Orange, people can continue to do everyday activities. There are restrictions to limit the spread of the virus and protect vulnerable people. There is a lot more freedom.
